

ASSIGNMENT 1: Professional Readiness

OBJECTIVE:

Co-op students in [Program Name] are required to meet certain requirements in addition to their education in this field. This assignment will help you plan for your co-op term by completing or arranging to complete these requirements.

OVERVIEW:

Part 1: Complete provincially mandated Health & Safety Awareness training required for all employees in Ontario, and set up an email signature in your student email account in Microsoft Outlook in preparation for professional communication with employers.

Part 2: Review the list of requirements for employers in your field and formulate a plan to complete required items before the start of your co-op work term. Fill in table on page 2 below.

- ***Submit this template and Health & Safety Awareness training certificate in the Assignment 1 folder.***

INSTRUCTIONS:

PART 1: EMPLOYMENT READINESS

- a. **Complete** the [Ministry of Labour Health & Safety Awareness Training](#), making sure to save your certificate at the end of the training program. You can also have it emailed to you.
 - Upload your certificate in the assignment submission link.
 - Training Web Link: [Worker Health and Safety Awareness in 4 Steps | Ministry of Labour, Training and Skills Development \(gov.on.ca\)](#)
- b. **Set up your email signature** in Microsoft Outlook (your student email account) for communication with internal college staff and faculty. This is a professional practice to adopt now before you start networking with prospective employers. Step-by-step instructions are provided below on page 3.
 - Take a screenshot of your email signature in Outlook and paste here.
- c. **International students** must have a valid co-op work permit to work full-time on a paid co-op term. Please e-mail one of the following to CareerandCoop@georgiancollege.ca :
 1. A valid co-op work permit (this may have been issued at your port of entry to Canada or sent after an application through the IRCC system);

STEP-BY-STEP INSTRUCTIONS

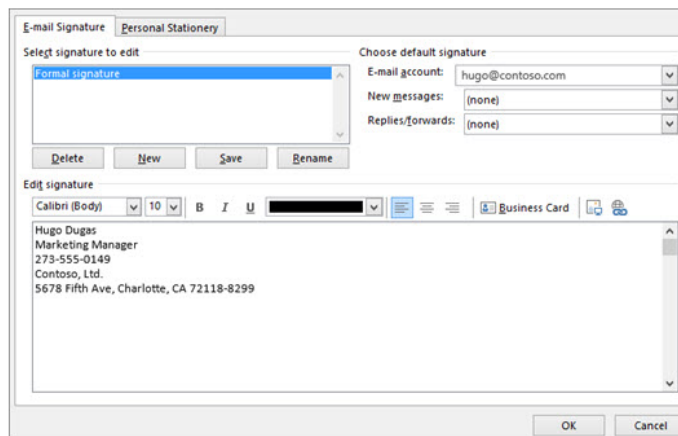

SET UP EMAIL SIGNATURE

1. Open a new email message.
2. On the **Message** menu, select **Signature > Signatures**.

Depending on the size of your Outlook window and whether you're composing a new email message or a reply or forward, the **Message** menu and the **Signature** button might be in two different locations.

3. Under **Select signature to edit**, choose **New**, and in the **New Signature** dialog box, type a *name* for the signature.

Notes:

- You can add links and images to your email signature, change fonts and colors, and justify the text using the mini formatting bar under **Edit signature**.

4. **Set up the email signature** in your student email account which includes:
Full Name
Student Number | Program Name
Email | Phone Number (optional)
5. **Upload a screenshot** of the signature set-up window for your student email account in Blackboard to submit this assignment.
